SCHOOL-BASED APPRENTICESHIPS & TRAINEESHIPS

Travel and Accommodation Allowance

GUIDELINES AND PROCEDURES

BACKGROUND

As part of the VET in Schools program and through the funding provided by this program, the Queensland Catholic Education Commission distributes financial assistance to subsidise additional expenditure incurred by school-based apprentices and trainees who travel specified distances to attend off-the-job training which is required in conjunction with the student’s apprenticeship or traineeship training arrangements.

GUIDELINES

Eligibility

Any school-based apprentice or trainee registered with the Queensland Catholic Education Commission who has to travel more than 100km return to attend off-the-job training is eligible to claim assistance.

Where training is undertaken on a block release basis, financial assistance may be provided for accommodation during the training period.

The school-based apprentice or trainee must be registered under the Training and Employment Act 2000.

Subsidy Available

The level of financial assistance will be as determined from time-to-time by the Queensland Catholic Education Commission on the advice of the QCEC VET Funding Taskforce.

Eligible school-based apprentices and trainees may receive financial assistance for their travel to and from required off-the-job training and where training is undertaken on a block release basis.

Allowances should be paid upon COMPLETION of the off-the-job attendance and must be verified by the relevant Registered Training Organisation.
The student should present the claim, verified by the SRTO, to the school for payment. The school will verify the documentation and ensure that it fits within the guidelines under Subsidy Rates and the Assessment of Entitlements.

The school will then claim reimbursement from QCEC VET in Schools funding for the amount paid by submitting the QCEC “Travel and Accommodation Subsidy Claim Form”.

- An accommodation subsidy will be paid on a daily rate.

- The journey distance will be calculated from the usual place of residence of the claimant to the off-the-job training location and return.

- For single day attendance (e.g., day release attendance) only travel assistance can be claimed providing it meets the requirements relating to distance travelled.
